Quarantine measures for travellers arriving from overseas during the pandemic of COVID-19

Due to the current COVID-19 situation in Sri Lanka and globally, following quarantine measures are imposed for travellers arriving in Sri Lanka.

Following letters issued by the Director General of Health Services (DGHS) are hereby cancelled.

1. Letter No. DGHS/COVID-19/347/2021, dated 25.10.2021 on Quarantine measures for travellers arriving from overseas during the pandemic of COVID-19
2. Letter No. DGHS/COVID-19/347/2021, dated 01.11.2021 on Children of 12 years to 18 years arriving from overseas after obtaining Pfizer Vaccine
3. Letter No. DGHS/COVID-19/347/2021, dated 10.12.2021 on Removal of pre departure COVID-19 testing of children below 12 years

A Entering into the country

Foreign National passport holders who do not have a valid visa, have to obtain a landing permit / visa from the Department of Immigration & Emigration prior to their departure.

All Foreign National passport holders must have a travel insurance for at least USD 50,000 including cover for hospitalized treatment for COVID-19 infection. The period of stay in Sri Lanka and additional 14 days should be covered by the insurance.

No.	Category	Place of quarantine
A.1	<ul style="list-style-type: none">• Sri Lankan Citizens• Sri Lankan Seafarers arriving via airports• Dual Citizens	If required to Quarantine, can undergo home quarantine (if facilities are available at home) or Institutional Quarantine. If need Institutional Quarantine, can request a Quarantine Hotel / Government Quarantine Centre after arriving in Sri Lanka at the arriving airport or book a Safe and Secure Certified Level 1 hotel as mentioned in Section A.3.
A.2	<ul style="list-style-type: none">• Valid resident visa holders	If required to Quarantine, can undergo home quarantine (if facilities are available at home) or Institutional Quarantine. If need

		Institutional Quarantine, can request a Government managed Quarantine Hotel or Safe & Secure Certified Level 1 hotel as mentioned in Section A.3.
A.3	<ul style="list-style-type: none"> • Tourists • Foreign Nationals • Dual Citizens • Sri Lankan nationals 	<p>If required to Quarantine at a Safe & Secure Certified Level 1 hotel, should obtain Electronic Travel Authorization (ETA) using the protocol stipulated in following Sri Lanka Tourism website, https://www.srilanka.travel/helloagain/.</p> <p>They have to abide by operational guidelines of Sri Lanka Tourism in addition provisions of this letter and other Health Ministry protocols on COVID-19 preventive measures.</p>
A.4	<ul style="list-style-type: none"> • Foreign Nationals 	<p>If need to Quarantine, can request a Government managed Quarantine Hotel after arriving in Sri Lanka at the arriving airport or book a Safe and Secure Certified Level 1 hotel as mentioned in Section A.3.</p>

B Approval to Quarantine at a Residence for Foreign national staff members of the diplomatic missions or UN organizations / UN Specialized agencies / International Organizations with permanent offices in Sri Lanka (mentioned in Annex 01) who are holding Diplomatic / UN / Official passports

B.1	Foreign National Staff members and their accompanying spouse, parents and children are allowed to undergo mandatory Quarantine at a Quarantine Hotel / Safe & Secure Certified Level 1 Hotel / Quarantine at an area Medical Officer of Health (MOH) approved residence.
B.2	If Foreign National staff members of Diplomatic Missions or Foreign National staff members of organizations/agencies are undergoing mandatory quarantine at a residence, respective Diplomatic Mission / Organization / Agency with permanent offices in Sri Lanka should take prior approval in writing from area Medical Officer of Health mentioning that the residence is suitable for mandatory quarantine.
B.3	Details of the Foreign National Staff members and their accompanying spouse, parents and children undergoing mandatory quarantine at approved residences should be informed to area MOH on Day 1 of arrival, as they have to quarantine under the supervision of area Medical Officer of Health.

C Pre departure negative COVID-19 test (PCR or Rapid Antigen Test) report

C.1	Travellers of twelve years and above arriving in Sri Lanka should mandatorily carry a negative COVID-19 PCR test report in English language done within 72 hours prior to embarkation OR Rapid Antigen Test report (self-swabs are disallowed) done within 48 hours prior to embarkation.
------------	--

D COVID-19 Vaccination Certificate/Card

D.1	Travellers who have received the recommended doses of COVID-19 vaccine should carry the original vaccination certificate / card (together with a certified copy of English language translation if the certificate/card is not in English or if relevant data are not indicated in English in a non - English certificate / card) or verifiable evidence of vaccination.
------------	--

E “Fully Vaccinated Travellers”

E.1	As different countries have different phases of vaccination, for the inbound travellers, if the recommended doses of the COVID-19 vaccination are completed and departs from abroad two weeks after completion of vaccination , they will be considered as “Fully Vaccinated Travellers” .
E.2	Children of twelve years to eighteen years, if depart two weeks after obtaining at least a single dose of Pfizer Vaccine , will be considered as Fully Vaccinated.

E.3	Travellers who have taken at least a single dose of vaccine and after vaccination, had COVID-19 infection OR travellers who had COVID-19 infection and after the infection taken at least a single dose of vaccine will be treated similar to " Fully Vaccinated Travellers ". They should carry a diagnosis card or verifiable evidence or previously positive COVID-19 test report (PCR report or Rapid Antigen Test report) as a proof of past history of illness (in English).
E.4	As there are positive cases reported among fully vaccinated persons in Sri Lanka and in other countries, it is important to minimize the spread of COVID-19 or its variants entering in to the country. Therefore, all travellers including fully vaccinated travellers should not relax the preventive measures and should abide by the COVID-19 preventive measures imposed by the Government of Sri Lanka.

F Filling of Health Declaration Form

F.1	<p>Each traveller should fill the online Health Declaration Form (HDF) before boarding. Weblink is as follows: https://airport.lk/health_declaration/index</p> <p>Travellers should carry a printout of QR code generated after filling the online Health Declaration Form or produce the QR Code in mobile phone to the staff of the arriving airport if requested. Separate Health Declaration Forms should be filled online for each of accompanying children if any.</p>
-----	--

G Procedures to follow at the arriving airport in Sri Lanka

G.1	Travellers who have completed the recommended doses of the COVID-19 vaccination and departs from abroad after two weeks of completion of vaccination , should produce the vaccination certificate / card / verifiable evidence (in English) to Airport Health Officer at arriving airport if requested.
G.2	<p>After completion of formalities at the airport, travellers who are allowed to be quarantined at home should find their own transport to travel to their homes and should not use public transport.</p> <p>Other travellers who need to quarantine will be transferred to a Quarantine Centre / Quarantine Hotel managed by the Government of Sri Lanka or to a Safe & Secure Certified Level 1 Hotel. Transport shall be provided by the government authorities or the Hotel Management on a pre-determined manner.</p> <p>Respective Diplomatic Mission / Organization / Agency with permanent offices in Sri Lanka should arrange their own transport (adhering to preventive measures imposed by Government of Sri Lanka) to transport Foreign National staff members, if undergoing quarantine at an area Medical Officer of Health approved residence.</p>
