### Admission of COVID-19 positive travellers detected at Airports

There had been some instances where travellers were detected with COVID-19 positive reports at the Airport while they were departing from Sri Lanka.

Airport Health Officer of Airport Health Office of Quarantine Unit should take measures to transfer the positive travellers to the following Intermediate Care Centres (ICC) by adhering to COVID-19 preventive measures using the ambulances of Airport Aviation Services (Sri Lanka) Limited or 1990 ambulance service. Director/MS/Head of the Intermediate Care Centre should take measures to admit the patient. Admission of the patient should not be refused.

Airport	Intermediate Care Centre
Bandaranaike International Airport (BIA)	Base Hospital Minuwangoda Base Hospital Wathupitiwala District Hospital Divulapitiya District Hospital Dompe
Mattala Rajapaksa International Airport (MRIA)	District General Hospital Hambantota

If the traveller requests to admit to an Intermediate Care Centre managed by the Ministry of Health approved Private Hospital, relevant private hospital ambulance should transport the patient to ICC.
