To minimize the possible risk of spreading the Corona virus in the country, public are advised to adhere in to good health practices

- Frequently clean hands by using soap and water or alcohol-based hand rub.

- When coughing and sneezing cover mouth and nose with tissue or handkerchief or with the flexed elbow. Used facial tissues to be discarded properly.

- Avoid frequent touching of face, nose, eyes and mouth.

- Avoid close contact with anyone who has fever and cough.

- If you have fever, cough and difficulty in breathing seek medical care at earliest from a government hospital and share recent travel history.
